 - Neutral Floor Cleaner With Wax**PRODUCT #:** PK-1120**TRANSPORT INFO:**

Proper Shipping Name - Not Regulated for Transport by Truck

DOT Hazard Class - Not Regulated

Packing Group - Not Regulated

ID# - None

**CHARACTERISTICS:**

Appearance: Yellow Liquid

Odor: Lemon

pH: 7.50

Specific Gravity: 1.000

Weight: 8.34

Viscosity: Water Like

Flash Point: N/A

Dilution: 1:25

**ADVANTAGES:**

Clean & shine is a professional-grade neutral floor cleaner that cleans and waxes in one easy step. It's an amazing two-in-one neutral detergent cleaner and floor wax brightening compound formulated to clean and rejuvenate dulling waxed flooring. When used regularly this product will coat and protect flooring and existing wax. It eliminates the headaches of constantly waxing and stripping floors on a regular basis, extending the floor life while directly saving in your floor care budget.

**DIRECTIONS:**

When cleaning and protecting painted walls and floors and using product for routine damp mopping on any floor: use a dilution of 1 part cleaner to 20 parts water. For cleaning and protecting vinyl, cork, tile, terrazzo or marble: use a dilution of 1 part cleaner with 25 parts water. For cleaning and preserving leather and plastic upholstery: use a dilution of 1 part cleaner to 25 parts water. For use on flooring of asphalt tile, linoleum, plastic or rubber: a dilution of 1 part cleaner to 15 parts water is recommended. A dilution of 1 part cleaner to 15 parts water is also recommended for use when cleaning and protecting venetian blinds. When used on hardwood and gymnasium flooring a dilution of 1 part cleaner to 10 parts is recommended.

**PRECAUTIONS:**

**Inhalation:** None expected. Remove affected person to fresh air; if symptoms persist seek medical attention.

**Skin:** No irritation expected. Remove contaminated clothing; wash affected area with soap and water; launder contaminated clothing before reuse; if irritation persists, seek medical attention.

**Eyes:** Check for and remove contact lenses. Flush eyes with water for 15 minutes; if irritation persists, seek medical attention.

**Ingestion:** Give two glasses of water for dilution; induce vomiting by sticking fingers down throat; seek medical attention.

**AVAILABLE IN:**
