

Marine Phos 21 - Rust Converter and Calcium Eliminator

PRODUCT #: PK-1515

CHARACTERISTICS:

Appearance: Green liquid
 Odor: Characteristic
 pH: 1.000
 Specific Gravity: 1.245
 Weight: 10.38
 Viscosity: Water Like
 Flash Point: N/A
 Dilution: Ready To Use

TRANSPORT INFO:

Proper Shipping Name -Compounds, Cleaning Liquid (Phosphoric Acid)
 DOT Hazard Class - 8
 Packing Group - III
 ID# - UN 1760

ADVANTAGES:

Marine Phos chemically converts iron oxide (rust) to iron phosphate, creating a protective “chromated phosphate” coating. The effect prevents subsequent rust, improves adherence, and extends the life of the paint film. Also for use to break down calcium deposits caused by continual contact with water.

DIRECTIONS:

Rust Conversion: Loosen rust and scale with a wire brush. If surface is greasy, remove with a solvent. Apply Marine Phos to all exposed areas, with emphasis on pitted areas. Use brush, roller or spray. Allow a minimum of one (1) hour for conversion to be accomplished. (Until surface turns gray or black.) When conversion is completed. The surface will have a light tackiness, ideal for accepting coating.

Calcium Removal: When Marine Phos is being used to breakdown Calcium deposits, spray affected area and allow to sit for 5 minutes. Brush or agitate to increase effectiveness. Rinse with water and allow to dry. Repeated applications may be needed depending on amount of Calcium.

PRECAUTIONS:

Inhalation: Remove affected person to fresh air; if breathing difficulties persist seek medical attention.

Skin: Remove contaminated clothing; wash affected area with soap and water; DO NOT attempt to neutralize with chemical agents; if irritation persists, seek medical attention. Launder contaminated clothing before reuse.

Eyes: Check for and remove any contact lenses. Immediately flush eyes with clear running water for 15 minutes while holding eyelids open. Seek medical attention immediately.

Ingestion: Drink two glasses of water followed by milk, milk of magnesia or other non-alcoholic liquids to conscious person; DO NOT induce vomiting; seek medical attention immediately.

AVAILABLE IN:

Gal. Jug, 5 Gal. Bucket, 55 Gal. Drum, 275 Gal. Tote, 300 Gal. Leg Tank or delivered via Tanker Truck

GUARANTEE: Jamson Labs' / Power Kleen's manufacturing and laboratory controls ensure uniform quality throughout our product line. All Jamson Labs / Power Kleen manufactured products are guaranteed for 1 year when used as directed.
