Power Clean is a new high foaming detergent formulated for steam & pressure washing equipment. For use with multiple jobs - no brushing necessary. Cleans garbage trucks, heavy road films tar and carbon. Works with both hot and cold water. Will not clog up coils on your equipment.

Directions:

- For heavy cleaning and degreasing of road equipment undercarriages and tractors, cranes and 5th wheels: Dilution ratio —20 to 1
- For regular cleaning of equipment, trucks, machinery and road equipment: Dilution ratio — 30 to 1
- For best results apply Power Clean to its recommended dilutions, applying from bottom and working up - allowing solution to remain 3 to 5 minutes before rinsing.
- For heavy encrusted equipment repeat same procedure if needed.

DANGER:

DO NOT TAKE INTERNALLY. HARMFUL IF SWALLOWED.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

MAY CAUSE HARM TO PAINTED SURFACES IF NOT USED AS DIRECTED
