ADVANTAGES:

Remove It is a professional-grade garbage truck cleaner and degreaser that is safe on all surfaces of your truck. It is the only cleaner/degreaser specifically designed solely for the waste hauling industry. It not only removes the heavy residues left behind from garbage but also the every day grease and grime associated with the trucks.

DIRECTIONS:

Dilute 1 part REMOVE IT (DEGREASER) to 3 parts water in a 5 gallon bucket and apply to surfaces to be cleaned. Allow 3-5 minutes contact time on garbage residue and then brush all areas thoroughly. If necessary, apply again, let stand and brush again to remove heavier build-up. When cleaning greasy areas less contact time is necessary brush as you would normal washing. Rinse thoroughly. Heavy build-up on neglected or un-assigned trucks can be eliminated by washing in this manner. For everyday washing and maintenance: Dilute 1 part REMOVE IT (DEGREASER) to 10 parts water and follow the same procedure. REMOVE IT (DEGREASER) is safe on all parts of the truck including glass.

PRECAUTIONS:

Inhalation: No hazards expected. If symptoms occur, remove affected person to fresh air; if breathing has not returned to normal within a few minutes after exposure, get medical attention.

Skin: No hazards expected. If contact occurs, wash affected area with soap and water; remove and launder contaminated clothing before reuse; if irritation occurs, seek medical attention.

Eyes: Remove contact lenses. Immediately flush eyes for 15 minutes in clear running water while holding eyelids open; seek medical attention.

Ingestion: Drink two glasses of water followed by milk, milk of magnesia or other nonalcoholic liquids; DO NOT induce vomiting; seek medical attention.
