

**PowerKleen**  
Quality Chemicals • Superior Service

**DESCRIPTION:**

This is a 100% active laundry break product formulated to remove grease and heavy soil in the wash wheel before the detergent cycle. It can be used on all fabric, especially polyester and polyester blends. Caution is recommended on the finer fabrics like wool and silk.

**ADVANTAGES:**

This is a high alkali detergent break that not only loosens and removes grease and oil stains, but also is a detergent builder. Contains detergents, penetrating agents and water conditioners.

**WHERE TO USE:**

To be used only through an electronic dispensing system to remove stains from hair oil, makeup, medicine, ink, body oils, suntan lotions, shoe polish, etc. Very effective in the removal of grease from table linen, kitchen rags and mops.

**DIRECTIONS:**

Consult your distributor for proper usage, as each type soil load requires different concentrations of product.

**CAUTION KEEP OUT OF REACH OF CHILDREN.**

**DO NOT TAKE INTERNALLY. HARMFUL IF SWALLOWED.**

**AVOID CONTACT WITH EYES AND SKIN.**
