

# Bell Wash

 - Car & Truck Cleaner**PRODUCT #:** PK-6530**CHARACTERISTICS:**

Appearance: Purple Liquid  
 Odor: Characteristic  
 pH: 13.00  
 Specific Gravity: 1.070  
 Weight: 8.92  
 Viscosity: Water Like  
 Flash Point: N/A  
 Dilution: 1:64

**ADVANTAGES:**

Bell Wash Car & Truck Cleaner is a high-lubricity, non-streaking hand or automatic pressure wash. This powerful detergent with builders for long-lasting suds is biodegradable and excellent for heavy road films.

**DIRECTIONS:**

**For hand washing:** Dilute using 1–2 ounces per gallon of water. Thoroughly apply dilution to the entire car starting from the roof and working down to the wheels. Rinse as you go to ensure that you have not skipped anywhere. Rinse again thoroughly and allow to air dry. **For automatic, coin operated or high-pressure cleaning systems:** Dilute using 1 ounce per gallon of water. Brush on, allow 10 minutes contact time, then brush again and rinse off. Repeat again if necessary. **Automatic recycling car wash systems:** Dilute using ½ gallon per 500 gallons of water in holding tank. This dilution will provide an abundance of suds and ensure long brush life.

**PRECAUTIONS:**

**Inhalation:** Remove affected person to fresh air; wash mouth and nasal passages with water repeatedly; if breathing difficulties persist seek medical attention.

**Skin:** Remove contaminated clothing; wash affected area with soap and water; DO NOT attempt to neutralize with chemical agents; if irritation persists, seek medical attention. Launder contaminated clothing before reuse.

**Eyes:** Check for and remove any contact lenses. Immediately flush eyes with clear running water for 15 minutes while holding eyelids open. Seek medical attention immediately.

**Ingestion:** Drink two glasses of water followed by milk; give diluted vinegar or lemon juice to conscious person; DO NOT induce vomiting; seek medical attention immediately.

**TRANSPORT INFORMATION:**

Proper Shipping Name - Corrosive Liquids, N.O.S.,  
 (Contains Potassium Hydroxide)  
 DOT Hazard Class - 8 Packing Group - III  
 ID# - UN 1760
