Quality Chemicals • Superior Service

- A new high foaming detergent formulated for steam & pressure washing equipment
- Does multiple jobs - no brushing necessary
- Cleans garbage trucks, heavy road and building equipment
- Very economical. Replaces 3 or 4 different cleaners
- Degreases, removes road films tar and carbon
- Works with both hot and cold water
- Will not clog up coils on your equipment
- Non-toxic, Non-flammable and Easy to Use

Directions:

- For heavy cleaning and degreasing of road equipment undercarriages and tractors, cranes and 5th wheels: Dilution Ratio — 20 to 1
- For regular cleaning of equipment, trucks, machinery and road equipment: Dilution Ratio — 30 to 1
- For best results, apply product using its recommended dilutions, from bottom and up, allowing solution to remain 3-5 minutes before rinsing.
- For heavily encrusted equipment, repeat same procedure if needed.

DANGER:

DO NOT TAKE INTERNALLY. HARMFUL IF SWALLOWED.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

MAY CAUSE HARM TO PAINTED SURFACES IF NOT USED AS DIRECTED
