

# Unclog

- Live Culture Grease Control

**PRODUCT #:** PK-6590

**CHARACTERISTICS:**  
 Appearance: White Liquid  
 Odor: Pleasant  
 pH: 7.20  
 Specific Gravity: 1.00  
 Weight: 8.34  
 Viscosity: Water Like  
 Flash Point: N/A  
 Dilution: Ready To Use

**TRANSPORT INFO:**  
 Proper Shipping Name - Not Regulated for Transport by Truck  
 DOT Hazard Class - Not Regulated  
 Packing Group - Not Regulated  
 ID# - None

**ADVANTAGES:**  
 Unclog is a powerful, natural live culture grease control solution for grease traps, drains, floors & automatic feed equipment. It eliminates the cost of plumbers, eliminates grease and food waste, eliminates/prevents clogs in drains and grease traps, eliminates offensive odors at their source and deep cleans grease and food particles from floors. Unclog is a synergistic formulation of three strains of stable Bacilli microorganisms (at least 50 billion per gallon – CONCENTRATION GUARANTEED). It is the ultimate in grease trap & drain maintenance.

**DIRECTIONS:**  
**GREASE TRAPS:**(Capacity - twenty cubic feet or less) Pour 1 pint of “Unclog” directly into drain. Add 2 to 4 ounces of “Unclog” daily by pouring into a sink or pipeline which is closest to the trap. Treatment should be done at a time when the drains are used the least, such as at night. After adding “Unclog”, flush down with one cup of warm water.  
**LARGER GREASE TRAPS:** Add 4 to 6 ounces daily, following the above procedure.- Drain Lines & Down Pipes:  
**PIPE SIZE:** 2 inch diameter - 4 oz, 4 inch diameter - 8 oz, 6 inch diameter - 12 oz *Treat a minimum of twice per week.*  
**AUTOMATIC FEED EQUIPMENT:** Set the timer to feed an amount equal to that prescribed above. Be sure to set timer to activate feed after restaurant or business is closes, or when business is the slowest.  
**KITCHEN FLOORS:** At the close of the business day, mop floor with a wet mop solution of four to five ounces of “Unclog” per gallon of warm water, let air dry. When finished mopping pour solution down the drain. Do not throw outside.  
*NOTE: Do not subject product to extremely hot or boiling water, disinfectants or chlorinated dishwashing products.*

**PRECAUTIONS:**  
**Inhalation:** None Expected. Remove affected person to fresh air; if symptoms persist seek medical attention.  
**Skin:** None Expected. Remove contaminated clothing; wash affected area with soap and water; launder contaminated clothing before reuse; if irritation persists, seek medical attention.  
**Eyes:** Check for and remove contact lenses. Flush eyes with clear running water for 15 minutes while holding eyelids open; if irritation persists, seek medical attention.

**GUARANTEE:** Jamson Labs / Power Kleen's manufacturing and laboratory controls insure uniform quality throughout our product line. All Jamson Labs / Power Kleen manufactured products are guaranteed for 1 year when used as directed.

**Ingestion:** Give two glasses of water for dilution; DO NOT induce vomiting; never give anything by mouth to an unconscious person; seek medical attention.

**AVAILABLE IN:**  
 Gal. Jug, 5 Gal. Bucket, 55 Gal. Drum,  
 275 Gal. Tote, 300 Gal. Leg Tank or delivered via Tanker Truck
