

Pot & Pan

 - For Stainless Steel & Aluminum

Jamson Labs / PowerKleen™

Chemical Solutions Since 1973

PRODUCT #: PK-6596**CHARACTERISTICS:**

Appearance: Green Liquid
 Odor: Cherry
 pH: 3.00
 Specific Gravity: 1.254
 Weight: 10.46
 Viscosity: Water Like
 Flash Point: N/A
 Dilution: 1:32

**ADVANTAGES:**

Pot & Pan is a professional strength cleaner for stainless steel & aluminum pots, pans, sanitizers and other kitchen utensils. It is formulated to efficiently release and remove tough grease, soil and grime. Pot & Pan instantly goes into solution without separating, needs no further mixing and rinses freely leaving no film or residue.

DIRECTIONS:

Add 1 ounce of cleaner to each quart of water. Soak articles to be cleaned for 5 to 10 minutes. Accumulated sludge may be removed with a sponge and regular detergent. For higher shine, burnish with steel wool soap pad.

PRECAUTIONS:

Inhalation: Remove affected person to fresh air; if breathing difficulties persist seek medical attention.

Skin: Remove contaminated clothing; wash affected area with soap and water; DO NOT attempt to neutralize with chemical agents; if irritation persists, seek medical attention. Launder contaminated clothing before reuse.

Eyes: Check for and remove any contact lenses. Immediately flush eyes with clear running water for 15 minutes while holding eyelids open. Seek medical attention immediately.

Ingestion: Drink two glasses of water followed by milk, milk of magnesia or other non-alcoholic liquids to conscious person; DO NOT induce vomiting; seek medical attention immediately.
