Directions:

- **Winter:** dilute 1 part solvent to 4 parts water
- **Summer:** dilute 1 part solvent to 20 parts water
- Keep your washer system filled with windshield washer solvent For carefree driving.
- Be sure defrosters are operating when windshield washer solvent is being used during freezing weather.

CAUTION:

High concentrations are irritating to the respiratory tract; may cause headache, dizziness, nausea, vomiting and malaise. Contact with skin may cause slight irritation; prolonged contact may cause moderate reddening, swelling and possible necrosis. Contact with eyes will cause severe irritation and pain associated with redness and swelling of conjunctiva. If ingested may cause headache, dizziness, diarrhea and general weakness; large doses may result in red blood cell hemolysis.

CAUTION:

KEEP OUT OF REACH OF CHILDREN
FLAMMABLE MIXTURE: CONTAINS METHYL ALCOHOL
HARMFUL OR FATAL IF SWALLOWED
DO NOT TAKE INTERNALLY.
