

Power Kleen Pump Oil is a premium 10W30 grade non-detergent oil. It is specially formulated for most pressure washer pumps including but not limited to: AR, Admiral, Cat, Comet, General and Hypro. Hydraulic Oil with Anti-wear, Oxidizer, High Pressure and Rust Inhibitor Additives.

**Directions:**

- Change initial fill after 25 hours of operation. Thereafter change oil every three months or 100 hour intervals.
- Note: If pump is equipped with wicks, be certain wicks are saturated before initial operation

**Danger!**

COMBUSTIBLE LIQUID. May be harmful or fatal if swallowed or inhaled. May cause eye, skin & respiratory tract irritation. Prolonged or repeated contact may dry skin, cause dermatitis and burns.

**Precautionary Measures:**

Keep away from heat and flame. Container and equipment used for handling storage or transfer must be grounded and bonded. Do not get in eyes. Wear chemical splash goggles, impervious gloves and other necessary protective equipment. Avoid contact with skin and clothing. Avoid breathing vapor or mist. Use only with adequate ventilation. Do not taste or swallow. Not for use in internal combustion engines.

**Spill and Fire Procedures:**

Contain spill and keep out of sewer. Absorb with inert material (e.g., dry sand or earth), then place in a chemical waste container for later disposal. Dispose of wastes in accordance with applicable federal, state and local regulations. In case of fire, use water spray (fog), foam, dry chemical or carbon dioxide.

**KEEP OUT OF REACH OF CHILDREN.**

For Industrial Use Only. Before use, review Material Safety Data Sheet for further information, including any possible chronic health effects.
