Cocomore is a coconut oil enriched hand cleaner. It leaves hands moist and supple and is safe on sensitive skin.

**DIRECTIONS:**

Cocomore should be used undiluted and portioned in hand appropriately (approximately 1/2 oz). Cocomore may also be cut in half in some applications. For best results on heavily soiled hands use approximately 1 ounce of Cocomore while washing. This will leave your hands clean, soft and smelling fresh. If frequently used, your hands will be soothingly soft. Safe enough to use on children's hands. Ideal for women's hands too.
