Directions: Dilute 1 part RIGHT OFF to 2 parts water in a 5 gallon bucket and apply to surfaces to be cleaned. Allow 2-3 minutes contact time and then brush all areas thoroughly. Apply again, let stand and brush again to remove heavier build-up. When cleaning greasy areas allow contact time and brush as you would for cement removal. Rinse thoroughly. Heavy build-up on neglected or un-assigned trucks can be eliminated by washing in the usual manner then applying truck cleaner again on build-up only and allow to react. Brush affected areas the following day and use a putty knife or scraper where necessary, repeat the process daily for several days until all build-up is removed. **RIGHT OFF** should not be used on the cabs of trucks as the regular truck cleaner, but may be used on occasion to remove cement dust and splatter. Rinse completely.

REMOVES & PROTECTS FROM:

- Rust
- Grease
- Oil
- Hydraulic Fluids
- Concrete
- Dirt

Right Off

TRUCK WASH

Prevents rust and eliminates concrete build up

- REMOVES ALL TYPES OF GREASE, OIL, DIESEL AND HYDRAULIC FLUIDS.
- 100% PHOSPHORIC
- BLENDED WITH SYNTHETIC NON-IONIC DETERGENT PLUS A POLAR SOLVENT

1 Gal. 5 Gal. 55 Gal. 275 Gal.
