Right Off

WITH COMPLIANT

PREVENTS RUST & ELIMINATES CONCRETE BUILD UP

- **REMOVES ALL TYPES OF GREASE, OIL, DIESEL AND HYDRAULIC FLUIDS.**
- **BLENDED WITH A PROPRIETARY SURFACTANT MIXTURE PLUS A PROPRIETARY SOLVENT MIXTURE**

 1 Gal.

 5 Gal.

 55 Gal.

 275 Gal.

Directions: Dilute 1 part **Right Off with Compliant** to 2 parts water in a 5 gallon bucket and apply to surfaces to be cleaned. Allow 2-3 minutes contact time and then brush all areas thoroughly. Apply again, let stand and brush again to remove heavier build-up. When cleaning greasy areas allow contact time and brush as you would for cement removal. Rinse thoroughly. Heavy build-up on neglected or un-assigned trucks can be eliminated by washing in the usual manner then applying truck cleaner again on build-up only and allow to react. Brush affected areas the following day and use a putty knife or scraper where necessary, repeat the process daily for several days until all build-up is removed. **Right Off with Compliant** should not be used on the cabs of trucks as the regular truck cleaner, but may be used on occasion to remove cement dust and splatter. Rinse completely.

TRANSPORT INFORMATION:

Proper Shipping Name - Non-Hazardous for Transport by truck

DOT Hazard Class - Not Regulated

Packing Group - Not Regulated

ID# - None

D.O.T. NON-REGULATED
