

Drum Saver

 - Anti-Chip Solution

Jamson Labs / PowerKleen™

Chemical Solutions Since 1973

PRODUCT #: PK-9300**CHARACTERISTICS:**

Appearance: Clear Liquid
 Odor: Characteristic
 pH: 7.00
 Specific Gravity: 1.000
 Weight: 8.34
 Viscosity: Water Like
 Flash Point: N/A
 Dilution: Ready To Use

ADVANTAGES:

Drum Saver is an industrial-grade non-hazardous, non-corrosive anti-chip formulation. It increases drum life, reduces chipping, is safe on any design, has no entry application and requires no applicators. It is a special blend of chemicals designed to coat the inside of a drum with a barrier that prevents concrete from adhering to the inside surface / fins of your drum. Do not use on outside of drum.

DIRECTIONS:

For best results; Truck must be recently chipped, empty and dry. Discharge first to remove any debris and water that may be left in the drum. If the drum has any buildup remaining, DRUM SAVER will not affect the existing buildup but will still reduce any new buildup. Charge the drum slowly and pour 5 gallons of DRUM SAVER into the drum. This should take approximately 2-3 minutes. Discharge drum at a slightly higher RPM. This will allow DRUM SAVER to coat the entire drum and fins. This process should also take 2-3 minutes. Allow the drum to dry completely before the next load.

PRECAUTIONS:

Inhalation: None Expected. Remove affected person to fresh air; if symptoms persist seek medical attention.

Skin: None Expected. Remove contaminated clothing; wash affected area with soap and water; launder contaminated clothing before reuse; if irritation persists, seek medical attention.

Eyes: Check for and remove contact lenses. Flush eyes with clear running water for 15 minutes while holding eyelids open; if irritation persists, seek medical attention.

Ingestion: Give two glasses of water for dilution; DO NOT induce vomiting; never give anything by mouth to an unconscious person; seek medical attention.

TRANSPORT INFO:

Proper Shipping Name - Not Regulated for Transport by Truck
 DOT Hazard Class - Not Regulated
 Packing Group - Not Regulated
 ID# - Not Regulated

GUARANTEE: Jamson Labs' / Power Kleen's manufacturing and laboratory controls ensure uniform quality throughout our product line. All Jamson Labs / Power Kleen manufactured products are guaranteed for 1 year when used as directed.

**AVAILABLE IN:**

Gal. Jug, 5 Gal. Bucket, 55 Gal. Drum,
