

Ultra Super Strip - Wax Stripper / Industrial Cleaner

PRODUCT #: JL-0304**CHARACTERISTICS:**

Appearance: Clear
 Odor: Characteristic
 pH: 13.20
 Specific Gravity: 1.030
 Weight: 8.59
 Viscosity: Like Water
 Flash Point: n/a
 Dilution: 1:20

TRANSPORT INFORMATION:

Proper Shipping Name - Not Regulated for Transport by Truck
 DOT Hazard Class - Not Regulated
 Packing Group - Not Regulated
 ID# - None

ADVANTAGES:

Ultra Super strip is a super heavy-duty wax stripper and industrial-grade cleaner. It removes and cleans the toughest waxes, synthetic polymers and urethane fortified finishes from tile, terrazzo and concrete floors and removes aged burnished films and buildups. This is a super-concentrate that dissolves the toughest of polymers with solvent like penetration

DIRECTIONS:

Follow the recommended dilutions for best results. Not recommended for wood or cork floors. May affect pigments of low grade asphalt tile if used at stronger concentrations than 1 to 10, so caution is necessary when stripping asphalt tile. Always test a small area first. This product requires dilution with water to work. Never apply undiluted product directly to floor.

- Dilute Ultra Super Strip as follows:
 Light: 1 part stripper to 24 parts hot water.
 Normal: 1 part stripper to 20 parts hot water.
 Heavy: 1 part stripper to 16 parts hot water.
- Apply solution and allow 10 minutes for the chemical to do its work:
 Agitate well with floor machine equipped with stripping pad to liquify the wax before picking up with wet vac or mop.
- Rinse floor with clear water and mop dry:
 After stripped floor is clean and dry, reapply floor finish.

PRECAUTIONS:

Inhalation: None Expected. Remove affected person to fresh air; if symptoms persist seek medical attention.

Skin: None Expected. Remove contaminated clothing; wash affected area with soap and water; launder contaminated clothing before reuse; if irritation persists, seek medical attention.

Eyes: Check for and remove contact lenses. Flush eyes with clear running water for 15 minutes while holding eyelids open; if irritation persists, seek medical attention.

Ingestion: Give two glasses of water for dilution; DO NOT induce vomiting; never give anything by mouth to an unconscious person; seek medical attention.

GUARANTEE: Jamson Labs' / Power Kleen's manufacturing and laboratory controls ensure uniform quality throughout our product line. All Jamson Labs / Power Kleen manufactured products are guaranteed for 1 year when used as directed.

**AVAILABLE IN:**

Gal. Jug, 5 Gal. Bucket, 55 Gal. Drum,
 275 Gal. Tote, 300 Gal. Leg Tank or delivered via Tanker Truck
