

PRO-BRAND

THE HALLMARK OF QUALITY

KITCHEN CLEANING

For difficult cleaning jobs use dilution 1:15, for oven cleaning, deep fat fryers, greasy floors.

For walls, light fixtures, refrigerators, etc. use dilution 1:30 to 1:60 and wipe clean.

AUTOMATIC SCRUBBERS

For light duty cleaning use dilution 1:150 for regular floors.

For heavy duty cleaning use dilution 1:75 and to strip wax off floors, add 1 cup of ammonia to each gallon of water.

Allow solution to remain on floor 10 minutes. Agitate with floor scrubber, and then rinse well with clear water.

FLOORS AND WALLS

Use dilution 1:150 or 1 ounce per gallon. Wipe and rinse clean.

MACHINERY

Use dilution 1:75 or 2 ounce per gallon. Soak for 5 to 10 minutes and then rinse with clear water.

HEAVY DUTY DEGREASING

Use dilution 1:9 and spray on. Allow to soak for 5 to 10 minutes and then pressure rinse with clear water.

BLUE STORM

CLEANER / DEGREASER

Wax Stripper and Degreaser

Removes: Waxes, Grease, Carbon, Soot, Gums,
Resines, Oil, Dyes, Scum and Inks

CAUTION: KEEP OUT OF REACH OF CHILDREN
May be harmful if swallowed. May cause skin irritation.
See side panel for first aid antidotes and precautionary instructions.

DIRECTIONS

This all purpose cleaner can be used on any hard surface not damaged by water. It can be applied by both manual and pressure washing equipment. The exact concentration will vary with the difficulty of the soil.

The use of all cleaning compounds in the edible product processing areas of federally inspected meat and poultry plants must be followed with a potable water rinse to remove the cleaner.

CAUTION

KEEP OUT OF REACH OF CHILDREN.
Contains alkaline detergents.

Use rubber or plastic gloves when handling the product concentrate

FIRST AID

If swallowed, drink plenty of water, followed by lemon juice, grapefruit juice or diluted vinegar. See a physician.

In case of contact with eyes, flush with plenty of water for 15 minutes and then rinse with 5% Boric Acid solution. If irritation develops, see a physician.

If contact causes skin irritation, wash thoroughly with water and then wear rubber gloves.
