

**Jamson Labs**

Quality Chemicals Since 1973

Directions:

- For best results simply apply the product to the surface to be cleaned with spray bottle or a clean cloth.
- Work in a circular motion to loosen soil with a sponge or toweling. No rinsing necessary.
- This product will not harm painted surfaces with permanent type paints, nor will it remove shellac or varnish when applied in the prescribed manner.
- To remove spots and stains, apply with soft bristle brush. After loosening soil, wipe clean with towel.
